Coordinator's Corner

2016 is flying by! Before you know it, will have tulips and daffodils popping up and spring will be officially here.

You may now be kept up to date on our City of Eau Claire Volunteer Program on Facebook. Like the Facebook page "City of Eau Claire-City Hall" and keep informed about what is happening with our volunteer program and volunteer opportunities.

On February 26th, Eau Claire Cares-Families Volunteering Together was held at Hobbs Ice Arena. This was the first time this event was held in February and the change was a huge success. We have over 50 cards for Mayo Clinic Health System Eau Claire.

The next event where we will be needing volunteers is the Amazing Eau Claire Clean Up. The event this year is Saturday, April 23rd from 9am-11am. At 11am, volunteers return to Boyd Park for a volunteer celebration which includes lunch and raffles prizes.

Thank you for volunteering,

Feri-Gene

Volgistics-Volunteer Management Program

The City of Eau Claire Volunteer Program has been using Volgistics, a Volunteer Management Program, to keep track of our volunteers.

A new feature has been added to Volgistics that will enable the volunteer to log into the program, sign up for volunteer opportunities and log their volunteer hours. In the next few months, more information will be coming to you as well as the chance to register on Volgistics yourself. Stay tuned!

The Eau Claire Parks, Recreation, & Forestry Department is organizing the "Amazing Eau Claire Clean-Up" for Saturday, April 23, 2016.

This event sends volunteers to locations throughout the city including community parks, neighborhood playgrounds, picnic areas, and recreational trails, where they clean the areas, plant trees and prepare flowerbeds for spring planting. Following the clean-up, volunteers are invited to Boyd Park for snacks and prizes.

The Amazing Eau Claire Clean-up is a great opportunity for people to work together and make a difference in our community. The event starts at 9:00 A.M. at different sites throughout Eau Claire. Groups will be assigned to each location. In addition to the Clean-up, we will be preparing the flowerbeds throughout the park system for planting in May. The Amazing Eau Claire Clean-up will be completed by 11:00 A.M. All the volunteers are invited to come to Boyd Park at 11:00 A.M. for recognition and prizes. This will last until approximately 12:00 P.M. If you are interested in volunteering or additional information, contact Marybeth Berry at 839-5039 or email Marybeth.Berry@ci.eau-claire.wi.us.
